## Arundel Bypass

Supplementary consultation

### Feedback form

November 2022

# Introduction

Thank you for taking part in our supplementary consultation on the proposed A27 Arundel Bypass.

This supplementary consultation follows the statutory consultation. We have made changes to several areas of our proposals, and have more information on others. We would like to know what you think about these changes to our proposals. Please provide your comments by **23.59 on 16 December 2022.**

Your feedback on the changes presented as part of this supplementary consultation is important to us and will help us determine our final proposals which will form our Development Consent Order (DCO) application. The best way for you to tell us what you think about the changes we have presented as part of this supplementary consultation is by providing your response, in writing, in one of the following ways:

- Completing the online feedback form located on the Scheme website:  
**[www.nationalhighways.co.uk/a27arundel](http://www.nationalhighways.co.uk/a27arundel)**
- Attending a consultation event where you can meet the project team and complete a paper copy of the feedback form
- Requesting the feedback form by post or picking up a paper copy at one of our document deposit locations. You can post this to **Freepost A27 ARUNDEL**
- You can also email this feedback form to:  
**[A27ArundelBypass@nationalhighways.co.uk](mailto:A27ArundelBypass@nationalhighways.co.uk)**

**Did you know the way to keep up to date with the project updates is by signing up to our subscription list:**

# Your views on our proposed changes

The supplementary consultation brochure describes the changes we are proposing to The Scheme, which are also shown on the map below. This feedback form asks you to provide your thoughts on these changes.

Having updated the previous Scheme proposals described in the statutory consultation, we are now consulting on four specific matters:

- 1 Changes to reduce traffic impacts in and around Walberton
- 2 Mitigating the Scheme's effects on bats, near Tye Lane
- 3 Updated proposals in relation to the Avisford Park Golf Club
- 4 Potential changes at Crossbush Junction

We received thousands of responses to our consultation earlier this year and as a result of your feedback, as well as our ongoing design work, there are proposed changes to the Scheme design.

This Supplementary Consultation, is an opportunity for you to provide **new** feedback on **specific topics and areas of change**.

We are seeking your views on updated proposals in the Walberton area which have been introduced to address concerns raised on the traffic impacts of the Scheme in that area. We are also providing an update on proposals for the Avisford Park Golf Club, a new bat crossing at Tye Lane and new proposals for Crossbush junction.

Please leave any feedback below on the supplementary consultation material - your previous feedback to the statutory consultation is already being considered by the project team.

Please only provide your views on proposals of this **supplementary consultation**.
