

Lower Thames Crossing Design refinement consultation

July 2020

The Lower Thames Crossing is a proposed new road connecting Kent, Thurrock and Essex through a tunnel beneath the River Thames.

Following a statutory consultation in 2018 and a supplementary consultation earlier this year, we are proposing a number of refinements to the design of the project.

View the proposed refinements and have your say online from 14 July to 12 August 2020 at www.lowerthamescrossing.co.uk/design-consultation

What are we consulting on?

We are proposing a number of refinements to the design of the Lower Thames Crossing based on feedback received during previous consultations, engagement with our stakeholders and ongoing design work. We now also have a better understanding of the technical constraints, including new information about the existing utilities.

The proposed refinements include:

- minor refinements to elements of the highways design
- updated paths for walkers, cyclists and horse riders
- proposals for redirecting and upgrading utilities
- more detailed landscaping proposals
- further developed ecological mitigation measures

This consultation is an important opportunity for you to have your say on the proposed refinements before we submit our Development Consent Order application.

Have your say

Please submit your response by
23:59 on 12 August 2020.

How to have your say

You can submit a response by using one of the methods below, which are all free to use. Please note, we cannot guarantee that responses sent by any other means will be considered.

Online response form

Fill in the online survey at:

www.lowerthamescrossing.co.uk/design-consultation

Freepost

Post your response form or comments to:

FREEPOST LTC CONSULTATION

The Freepost address is the only text needed on the envelope, and no stamp is required.

Email

Email your comments to:

LTC.CONSULTATION@TRAVERSE.LTD

Telephone

You can now provide feedback over the phone. Please call us on **0300 123 5000** to book an appointment.

For more information on how your personal data is retained and used by Highways England, see our full data privacy statement:
